▼ Adolf Whitmer got elected by Dominion by the people on "fix the damn roads" and she failed on it

▼ They need to take a page out of Texas' book and fix their damn roads in these blue shithole states. Except for I35. Don't pay any attention to I35.....

5 Like our forefathers and the brave drummer boys who served with them, we need our own updated playlist of MAGA Songs to ride into battle with.

I'll start us off with those GEOTUS/his team has shared so far:

Nico Vega - Beast

The Score - Unstoppable

Miles Guo - Fight for Hong Kong

And a personal favorite battle song that I will be playing as I ride into DC, recommended by General George Washington:

AC/DC - If You Want Blood

It's time to get hype PATRIOTS!

THE BATTLE IS NEAR!

MAGA

Enjoy the tunes and I'll see you soon, Patriot!

5 Hundreds of billions of dollars sent to foreign countries for gender studies, etc. and look at the state of that interstate highway.

Looks like I-70 West of Dayton. [Could have sworn that section was supposed to be rebuilt with Obama's shovel ready jobs bailout.](#)

4 Just remember OPSEC. Don't give out your position and don't talk to people about what you are doing on the way there. Snakes love to pretend to be frens. Don't look like a Trump supporter if that makes sense
